[comparison of the healthcare systems in canada and the](#)

Comparison of the healthcare systems in Canada and the United States is often made by government, public health and public policy analysts. The two countries had similar healthcare systems before Canada changed its system in the 1960s and 1970s. The United States spends much more money on healthcare than Canada, on both a per-capita basis and as a percentage of GDP.

[introduction tobacco in australia](#)

Introduction Smoking in the mid-20th century was ubiquitous in Australia, as in other Western countries. In 1945, more than three out of every four men and one in every four women were regular smokers. 1 Smoking rates fell dramatically over the following two decades as many men died prematurely and others gave up smoking in response to the concerns about health that were starting to be raised ...
