So I met with him. He talked over my head in medical terminology, said phrases like cut your gum and bone graft. He didn't answer me when I asked him to explain the process or if I would be out for the procedure because there is NO WAY ON EARTH I can handle that while awake.

[my diy solar power setup free energy for life](#)

So naturally, I have always wanted to have my own solar power farm. Until now, various excuses kept me from getting it done: no great places to put panels on the roof of my main house, slightly unfavorable local regulations, but mainly a lack of knowledge of exactly what to buy and how to install it.
