[allis chalmers forklift practicalmachinist](#)

Yes, you do need a forklift. That is an absolute given. I used a little air tire A-C at a consignment sale a few years ago. Used it before and after the sale, and I liked it, but when it sold I was outbid. (The rule at this particular annual event is basically "Your consigned/newly purchased forklift is fair game till the sale is over and everybody has their stuff loaded.")
